- ★ **Conducting a Knights of Columbus “Keep Christ in Christmas Poster Contest”** is a fun and easy way to get young people in your community involved in their faith. It is fun to conduct because of the opportunity to witness the creativity and optimism of the young people in your community. It is easy because you can tap into existing structures like schools, CYO’s, Squires circles, etc., to do a lot of preliminary work. It can also provide excellent local, and potentially international, publicity for your council.
- ★ **The first step is to organize your contest.** The council’s youth activities director, in consultation with the grand knight, should select a team that will administer the contest. This team will be involved in all phases of the contest: organization, publicity, judging, prizes, etc. Columbian Squires circles should work with their sponsoring council in conducting the contest. The council should be “ready to go” right before the Christmas season, so that the participants can get to work. A suggested time frame would be for the students to complete work on their posters by December 15th, with judging at the local level completed by December 31st. District judging should be completed by January 15th with regional and state judging completed by January 31st. Entries for the international level of competition must be received at the Supreme Council office by February 15th. International winners will be announced in March.
- ★ **Once the team is in place,** the next step is to contact catholic schools and CCD classes in your community to publicize your contest. Solicit the support of the teachers and administrators; ask them to encourage their students to participate. Teachers, school administrators, priests, K of C officials and most importantly young people can serve as judges. Each entry should be the work of an individual student. Schools can use the contest as a project for art or religion classes.
- ★ **If there are multiple schools participating, consider conducting preliminary judging.** In this way, the people in the community that you ask to serve as judges, which should include young people, will not be overburdened with a volume of posters, and the judging process will proceed more quickly.

a Poster Contest

★ **Display promotional materials prominently.** The posters included in the Poster Contest Kit should be displayed in any school from which students would participate, as well as youth centers, church halls, libraries, Boys & Girls Clubs, skating rinks, shopping centers, YMCA & YWCA buildings, and the council home. On the poster, indicate the name of the council contact person, email, address or telephone number to contact for additional information. Supplement these posters with newspaper ads, radio and TV spots and other publicity. Additional posters are available free of charge from the Supreme Council office.

★ **Build public interest in the contest.** Outline the criteria for the contest to local newspapers and through radio announcements. Placing the promotional posters in prominent places around town will also accomplish this.

★ **Outline the criteria for your judges to use in rating the entries.** Outline the criteria for your judges to use in rating the entries. The goal of this program is to increase the awareness of young people's faith, while encouraging them to speak to other youngsters "in their own language" about the true meaning of Christmas. Meet with your judges in advance of the judging process so that all are "on the same page" regarding what to look for in a winning entry.

★ **Recognize everyone participating** by presenting the included participation certificates to all who submit entries and council champion certificates to your council's winners. Encourage each school to develop some type of recognition for the winning artists in that particular school.

Rules & Regulations

TOPICS/CATEGORIES

Each poster must reflect the **Keep Christ in Christmas** theme with a visual image. There is no limit to the number of posters each contestant may submit.

ELIGIBILITY

The Knights of Columbus “Keep Christ in Christmas” Poster Contest is open to all young people between the ages of 5 and 14. Age eligibility is determined by the age of the contestant as of November 1.

AGE GROUPS

Contest entrants compete in one of three age groups — ages 5 through 7, ages 8 through 10, and 11 through 14. Some schools may have different age brackets for their elementary and middle schools. In these cases it may be appropriate to group students by grade rather than age. Sponsoring councils should use their own judgment in deciding how to group participants. **Each local, district, regional or state competition may have up to 6 winning entries — a first and second place winner in each age group.**

CONTEST LEVELS

The “Keep Christ in Christmas” Poster Contest can consist of up to five levels of competition: council, district, regional, state and international. Below is a description of each to help you understand the progression of the program.

Council — This is the first level of the competition. Council officials should order the program kit (item #CPC-Kit — call 203-752-4016 or visit kofc.org/forms to order), advertise the contest and contact schools to participate. The winning posters from the council level competition are forwarded to either the district deputy or

state council personnel, depending on the circumstances in your area.

District — The district level of the contest occurs ONLY if more than one council in the district participates in the “Keep Christ in Christmas” Poster Contest. Check with your district deputy to see if this is the case in your area. The winning posters for this level of the contest are forwarded to state program personnel for either the regional or state competition. Check with your state poster contest chairman or youth director for the forwarding address and deadline for entries.

Regional/State — The regional level of competition usually only takes place in larger jurisdictions. In either case, schedule, judges and prizes are provided by the state council. Winning posters from the state level must be forwarded to the Supreme Council office by February 15th for consideration in the International Judging. Send State-winning posters to:
